Work experience

User Experience Designer

Mantra Labs, Bangalore

2022 - 2023

Made large scale contributions to the development of multiple products that Mantra Labs launched during my tenure, such as:
Hero Insurance (Insurance marketplace - Design architecture, research, Website and App)
Ageas Federal (Life Insurance Website - Design architecture, Website and App)
Part of the UX Research team for various Mantra Labs in-house projects (studying the best buying journey in the insurance domain, client pitching research)

Client Specialist | CX

Siemens, Bangalore

2019 - 2021

Overseeing Business operations and maintained effective communication with service engineers and clients all over India ensuring maximum productivity.

Assistant Project Manager

Sunray Group, Ontario Canada

2015 - 2017

Management, coordination and inspection of development projects (\$3M - \$5M CAD)
Ensured that all project phases are prepared and issued in accordance with project management procedures.
